The Australia and New Zealand Student Services Association (ANZSSA) is a professional association for people with an interest in the provision of support services to students in post-secondary education in Australia and New Zealand.

By attending our ANZSSA 2009 biennial conference you will find out how student services contribute to education for global citizenship, student engagement and long-term sustainability. Come along and share the challenges, initiatives and successes you have experienced in your work in student services or in other roles with students—ANSZZA members and non-members all welcome.

The conference will be held in beautiful Brisbane, at QUT's Gardens Point campus and Griffith University's Queensland College of Art. The conference dinner takes place in heritage-listed Customs House, on the banks of the Brisbane River. Special accommodation rates have been negotiated for delegates of the conference; you can take advantage of these via our website.
