### THEME:

## Collaboration in International Students' Careers and Employment

---

The afternoon workshop will be divided into 3 sections:

- what students need,
- engaging employers and
- work rights for international students.

Each section will begin with a **brief presentation** followed by workshop discussions to further **explore the issues** and develop **practical solutions**.

Presenters :

**Diana Crvenkovic** (*Manager, Student Initiatives/International Education*)  
Economic Development, Employment and Innovation

Department of Economic Development, Jobs, Transport and Resources will provide an overview on the **government policies relating to work rights** for international students.

**Grace Diep** from **RMIT University** (and formerly Deakin University) will discuss her experience engaging employers to **host international student interns**.

Students from AFIS and CISA will represent the students and outline the **main issues** that they face in **finding work**.

**Date:** 10 May 2016  
**Time:** 12.30pm - 5.30pm (Networking Lunch and afternoon tea are included)  
**Venue:** Graduate House, 220 Leicester St, Carlton

#### Outcomes from the session

This **interactive workshop** will feature the **latest thinking in design and delivering practical solutions** that will help students in the employment market. You will have the chance to **meet new people, understand your purpose** and the important role you play in **helping students along their educational journey**. You will leave the session with new ideas, new connections and empowered to achieve better outcomes for your team and the organization.
