## ISANA

### *Introduction*

ISANA International Education Association is the representative body for international education professionals in Australia and New Zealand, working in student services, advocacy, teaching, and policy development.

### *Mission Statement*

ISANA International Education Association is an association of Australian and New Zealand international education professionals whose members are dedicated to the advancement of international education through:

- leadership, promotion and advocacy of best practice standards in the service of international education
- the facilitation of relevant forums, training and information exchange for its membership and the community
- working in partnership with stakeholder organisations including international students, educational, government, business and community groups.

### *Objectives*

ISANA aims to assist those directly and professionally engaged in the provision of international education services. It does this by:

- Providing a means for the exchange of information and networking
- Facilitating professional development of members
- Building links with associated organisations locally and overseas
- Recognising the interests and rights of international students in Australia and New Zealand.
